0.3L / 1.5L PITCHER

IPA 6.5%	5.75/26.50
India Pale Ale with an emphatic, hoppy flavour, delicious aromas of grapefruit and flowers, and a fruity, bitter aftertaste	
CALYPSO SESSION IPA 4.0%	5.75/26.50
Refreshing beer, low in alcohol, but with a lot of flavour! Because of the Citra and Amarillo hop, this IPA is a real thirst quencher with a fruity character	
ZATTE TRIPEL 8.0%	5.75/26.50
Golden 'triple' with a refined character and a soft after taste. Also, the first beer to come out of our vats in 1985! A delicious classic to be enjoyed in all seasons	
'T BLAUWE THEEHUIS SESSION WHITE 4.0%	5.75/26.50
Ijwit's little sister, but a little less herby and a bit fruitier. Especially brewed for 't Blauwe Theehuis. Light, fresh and low in alcohol, the perfect beer for a sunny day on our terrace	
IJWIT 6.5%	5.75/26.50
Full-bodied, Amsterdam wheat beer that is dangerously 'moreish'. Fresh because of the wheat malt, with a rich aroma of citrus and spices and a slightly sweet aftertaste!	
BLONDIE 5.8%	5.75/26.50
Smooth blonde beer with a touch of fruitiness, a hint of malt and a dash of hops. Gentle, refreshing, honest and pure	
'T BLAUWE THEEHUIS LAGER 5.2%	4.75/22.50
Our unique craft lager, brewed with Saaz hop. With a beautiful golden colour and a fresh, soft character

Classic double. A smooth, dark beer, reddish-brown in colour, with a beautiful balance between the roasted flavour and the slightly bitter hops	
COLUMBUS 9.0%	5.50
Amber beer with generous amounts of hops and alcohol. The high quantities of malt and bitter hops create a complex, full flavour

A true IPA with only 0,5% alcohol. The beer has a refined hoppy aroma, fantastic tropical flavours from the Amarillo hop and a mild bitterness. You can really drink it all day long

Just as delightful and fresh as the original Ijwit but without the alcohol. Brewed with lemon and coriander seeds	
BERRIE 0.5%	5.50

PROEFLOKAAL DE MOLEN

Our other tasting room is located in Amsterdam-Oost, under the well-known Windmill de Gooyer. This windmill has existed for over four centuries. We have been brewing our beers here since 1985. Formerly this served as a bathhouse. Steam-engines, tiles and several water pipes came in handy in our brewery as well. Some of the old soap baskets still remain in the back of the brewery. Want to have a peek? On Fridays, Saturdays and Sundays we offer a free tour around our brewery. Here, we'll tell you every detail about the bathhouse, the brewery and our beers. Check out the [website](#) for more information.
