CALYPSO SESSION IPA 4.0%..... 5.75/26.50
Refreshing beer, low in alcohol, but with a lot of flavour! Because of the Citra and Amarillo hop, this IPA is a real thirst quencher with a fruity character

ZATTE TRIPEL 8.0%..... 5.75/26.50
Golden 'triple' with a refined character and a soft after taste. Also, the first beer to come out of our vats in 1985! A delicious classic to be enjoyed in all seasons

'T BLAUWE THEEHUIS SESSION WHITE 4.0%..... 5.75/26.50
IJwit's little sister, but a little less herby and a bit fruitier. Especially brewed for 't Blauwe Theehuis. Light, fresh and low in alcohol, the perfect beer for a sunny day on our terrace

IJWIT 6.5%..... 5.75/26.50
Full-bodied, Amsterdam wheat beer that is dangerously 'moreish'. Fresh because of the wheat malt, with a rich aroma of citrus and spices and a slightly sweet aftertaste!

BLONDIE 5.8%..... 5.75/26.50

Amber beer with generous amounts of hops and alcohol. The high quantities of malt and bitter hops create a complex, full flavour

PROEFLOKAAL DE MOLEN

Windmill The Gooyer has existed for over four centuries. We've been brewing our beers here since 1985. Formerly, this served as a bath house. Steam-engines, tiles and several water pipes came in handy in our brewery as well. Some of the old soap baskets still remain in the back of the brewery.

Want to have a peek? On Fridays, Saturdays and Sundays we offer a free tour around our brewery. Then we'll tell you every detail about the bath house, the brewery and our beers. Scan the QR-code for more information.
