PROEFLOKAAL DE MOLEN

Windmill The Gooyer has existed for over four centuries. We've been brewing our beers here since 1985. Formerly, this served as a bath house. Steam-engines, tiles and several water pipes came in handy in our brewery as well. Some of the old soap baskets still remain in the back of the brewery.

Want to have a peek? On Fridays, Saturdays and Sundays we offer a free tour around our brewery. Then we'll tell you every detail about the bath house, the brewery and our beers. Scan the QR-code for more information.
